

Making Connections

WHEN: Thursday, March 18, 2010

TIME: Workshop 1: 7 - 8 p.m.
Workshop 2: 8:15 - 9:15 p.m.

WHERE: Cooper Elementary School
1960 Greentree Road
Cherry Hill, NJ 08003

*Each workshop will be offered twice. When registering, please choose two workshops.
Room assignments will be given at check-in on the evening of the workshops.*

<p>A & AA True Colors Presented by Barry T. Bailey, M.S. - V.P. of Operations, Genesis Centers</p> <p><i>Do you know how others see you? Using a unique and very effective program, explore and understand yourself & your child's personalities and temperament through the power of color.</i></p>	<p>B & BB Normal is... Presented by Abbie Kasoff-Gray, B.A. ATR & B.F.A., SAP Coordinator, PR/Marketing Representative, Genesis Centers</p> <p><i>Education is Power. When they were babies, we all knew when they should roll over, sit and stand. Learn your child's stages of development, which will help you confidently set realistic boundaries and goals that are age appropriate.</i></p>
<p>C & CC Jump, but not too high! Presented by Ann Rosenberg, L.C.S.W, SAC/Mental Health Counselor, Genesis Centers</p> <p><i>As a parent, you may have a son or daughter that has jumped off the bed at age two, seeming harmless, and now that fearless toddler may be showing signs of impulsivity and taking risks. Through real life behavioral examples this workshop will help you identify if your child has early signs of impulse control issues and will offer some simple tools to begin to help you and your child.</i></p>	<p>D & DD QPR Training— "Question, Persuade, Refer" Presented by Gina DeMonte, Student Assistance Counselor Rosa/Beck</p> <p><i>Investigate the myths surrounding suicide, explore the signs of suicide, and learn how to help a person in distress. QPR is patterned after the success of the CPR medical intervention.</i></p>
